Dear Sirs

**Consultation – Stratford-on-Avon District Council (Public Spaces Protection)
(Dog Fouling) Order 2020**

The Council will shortly consider making a public spaces protection order, effective across the whole district, to prohibit people from failing to pick up after their dogs.

Public spaces protection orders are designed to tackle anti-social behaviour in public places. The behaviour which the Council is looking to prohibit has been identified as detrimental to the area, persistent and unreasonable.

The Council is required to consult or notify you of any proposals to make public spaces protection orders. The Council would value your opinion in relation to this proposed order. Should you wish to take part in this consultation, please visit the Council's website – <https://www.stratford.gov.uk/environment/proposed-public-spaces-protection-order.cfm>

The last date for consultation responses is 20th August 2020

Yours faithfully
